Lightning Kills Two Men in North Carolina.

White Man and Negro Killed in Gate County-"Thirteen Club" Returns-Match

Meeting To-day.

(Special to Virginian-Pilot.)

Suffolk, Va., Aug. 23.—News reached here to-day of a fatal accident on Mr. James Parker's farm, near Gatesville, N. C. John Collins, white, and two colored men were in an ox-cart, when a heavy storm came up, and before they could seek a place of refuge, lightning struck the vehicle and its occupants and motive power. Mr. Collins and one of the negroes were killed outright, as was also the ox. The surviving negro, who was scared almost to death, made his way as soon as possible to Mr. James Parker's residence and carried the terrible tidings.

BIG TREES—HOT WEATHER.

Mr. W. N. Camp and family, of Florida, but formerly of Suffolk, have been traveling in the extreme West for some time, and were in California last week. In a letter to a Suffolk relative, Mr. Camp says:

"No one can get a conception of the great trees here by reading or seeing pictures of them. We drove through two of them in a stage drown by four horses. This is the first timbered country we have seen since we left Florida.

In a letter to a Suffolk relative, Mr. Camp says:

"No one can get a conception of the great trees here by reading or seeing pictures of them. We drove through two of them in a stage drown by four horses. This is the first timbered country we have seen since we left Florida. For 3,000 miles we didn't see a tree that would make a twelve-inch plank sixteen feet long. Here you could make one ten feet wide and over 200 feet long.

one ten feet wide and over 200 feet long.

"We have been through all sorts of climate. At one time we were 250 feet below the level of the ocean, where the thermometer registers as high as 125 degrees. We were at Eusenada, Mexico, on the Pacific coast, where the temperature rarely varies more than ten degrees. For three years not as much rain has fallen as Virginia gets frequently at one time; this is unusual, however."

"The Thirteen Club," which left here last Monday for Washington City, returned this afternoon, highly pleased with the grandeur and beauty of the city of magnificent distances and its wonderful places of interest. The party was made up as follows: Mr. I. O. Hill and Mrs. B. M. Bruce, chaperons: Misses Elizabeth Applewhite, Julia and Lily Brinkley, Bertie Ellenor, Harriet Goodman, Florence and Helen IIII, Irene Jones, Emma Langston, Brownley and Pattle Odom. BASEBALL. A match game of baseball was played yesterday afternoon at Peanut Park between the Newtowns and the Sycamore street club. The special feature of the game was the all-round playing of Peyton Chum. After a hot contest the Newtowns were victorious by a score of 18 to 17.

THE CONFEDERATE VETERANS-TAKEN TO PENITENTIARY. (Special to Virginian-Pilot.)

(Special to Virginian-Pilot.)

Petersburg, Va., Aug. 23.—Grand Commander Stith Bolling was asked to-day by your correspondent when he would appoint the sponsors and maids of honor to the Grand Camp of Confederate Veterans, which meets in Staunton on the 10th of October next. He said that the State of Virginia was entitled to one sponsor from the State at large and ten sponsors and one maid of honor from each Congressional district of the State, and that he had requested the assistant inspecting general of each district to suggest the name of a daughter of a Confederate soldier for sponsor and maid of honor from their respective districts and he would make the appointment as soon as the names were received. These easistant inspecting generals are all old Confederate soldiers and their official duties require them to visit the camps, and they are supposed to be better

The entrance was made by removing a glass from the front door. About \$40 worth of merchandise, consisting of shirts and cigars, was stolen.

The next place was the residence of Mr. E. T. Adams, on Liberty street, just beyond the Belt Line Railway. Mr. Adams was awakened about 4 o'clock and found a negro man standing by the side of his bed. He immediately gave an alarm and pursued the intruder, but without avail. His exit was made through one of the cook room windows, through which he entered. One of the immates of the house, who was aroused at the time, put his head out an up stairs window in time to see about a half dozen men giving flight. giving flight. ANOTHER.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional reatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it falls to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, O.
